What Does God Have That Walmart Doesn't?

We all want stuff, and there's plenty of stuff we need, but is *stuff* what we *really* need? The answer would be "yes" and "no." Without certain things we would suffer, but what good is survival if one is not rich? So where do we find the richness we really want? This retreat will help us to advance as we find more than Walmart can provide.

At \$60 - It's worth it!

Don't let money keep you away, check with your youth advisor for help or call YYAM

Nathan Ballentine (key leader),

Previous Co-Moderator of the Presbyterian Youth Connection. Graduated from Warren Wilson College in '08. Currently lives in Tallahassee, FL where he is food-gardening and working for the day when everyone in town can go to bed nutritionally satiated without worry about where their next weeks' of food will come from. He loves worms, rope-swings, overalls, cooking, sharing and eating good food. He was the keyleader for our Sr. High Retreat in 2006.
