

Holston  
Presbytery

Living  
Devotional

July–December, 2010

*Dear Friends:*

*Continuing the thoughtful tradition begun by Bob Grigsby, we invite you to join in prayer for each other, our families, and our common ministry. This six-month devotional lists colleagues involved in the life, congregations, and ministries of Holston Presbytery.*

*Each week, one or two congregations are listed as the Prayer Support Church. The Prayer Support Church is encouraged to use this devotional and the 2010 Mission Yearbook as points of focus for prayer. Daily scriptures are taken from the 2010 Mission Yearbook – other materials for that day are also in the Yearbook.*

*In addition to praying for the persons listed in the devotional, you may want to write them a note that day, or give them a call to let them know you are remembering them.*

*As we move through the next six months, we – as a staff – are interested in hearing your comments as we experience this prayer life together. Please let us know any names inadvertently left off the list or others who could be added in the next devotional.*

*Thank you for your daily commitment to prayer and worship as we minister together!*

*In Christ's name,*

*Rich Fifield  
The Holston Presbytery Staff*
